Differentiated Education Plan 9-12
Academically Intellectually Gifted
Cleveland County Schools

Student_____School_____
ID#_____Sex_____Race:_____Grade_____

The high school curriculum in Cleveland County Schools is designed to allow students to receive differentiated services through selection of advanced courses or other designated service delivery options. The decision for differentiated services is based on the student's needs related to the specific criteria for each service option. An annual performance review will determine the appropriateness of his/her continuing in a differentiated education program.
