

You're Invited

to join the Wolf Pack Trackers

Dear Parents:

I am excited to announce that Grover Elementary School will be offering a running club this year for students in grade 2-4. This will be a challenging yet exciting and energizing opportunity for your child. The club will meet after school every Wednesday from 3:15pm to 4:15pm starting on September 30th. We will practice rain or shine. You will be required to pick your child up promptly in the back of the school at 4:15pm, no exceptions.

We have two events in mind that we plan to participate in. The first one is in December with the Kings Mountain YMCA (The Jingle Bell Run) and the second one is the Cleveland County Fun Run in the spring of the year. More information will be provided at a later date.

If you think that this is something your child will be motivated and qualify to participate in, please feel out the bottom information and return to school as soon as possible.

Qualification to Participate:

1. Students must be passing at least 80% of their academic areas of study. If there are any questions concerning grade qualification we will look at this on an individual basis.
2. Students should not have any office referrals for misconduct.

Mrs. Saldo & Mrs. McDaniel
