

Dear Parents,

Welcome to the 6th grade Whale Team. We are excited about the upcoming school year. It is our belief that everyone is responsible for all of his/her actions. To enforce this belief, we have adopted a responsible classroom management program. This procedure will be explained to your child during the first few days of school.

As a responsible Crest Middle School student-

1. I will come to school prepared to learn.
2. I will respect myself, others, and property.
3. I will be committed to do my personal best.
4. I will follow guidelines in the student handbook.

In order to promote the success of your child, you will need to provide a time and place that is free from distractions for your child to do his/her homework. There will be homework most nights with the exception of weekends. Occasionally your child may have long-term assignments or projects.

Team Materials needed:

1. (1) Three ring notebook
2. Loose-leaf notebook paper
3. Pencils
4. Notebook dividers (with pockets if possible)
5. (1) Non-spiral composition books

In order to maintain maximum time on task, all toys are to be left at home.

Please make sure that your child attends school regularly. The attendance rules for Crest Middle School are outlined in the school handbook. Failure to make up excessive absences will result in retention. After each absence, a parent or doctor's note is required. A student may not miss more than eight days a semester.

Also covered in the handbook will be the accepted dress code requirements. Please pay close attention to these guidelines.
